The TMSC Board is pleased to announce that annual dues have been approved at the same rate as last year, \$400 per family. However, as per our notice at the beginning of the 2009 swim year, you will see an assessment fee of \$20 added to your invoice.

This fee is for the opening and closing of the pool, maintenance and other incidentals, including new furniture. When closing the pool for the 2009 season, only 5 members attended (4 of which were board members). The board cannot stress enough that this is YOUR POOL. It takes many members to make our club a clean and safe facility. A requirement of 2-4 hours of volunteer time per family is requested for the opening, closing or maintenance of the pool. If you work your 2-4 hours, your assessment will be refunded to you at the end of the season. Volunteer work dates will be announced via e-mail and will also be listed on the website calendar.
